Move it to the top left and click to drop it there. This ensures that it will be visible on your home screen.

Now, click the home button on your remote and you will see the **Trex** icon at the front of the apps on your home screen. Click on it.

TrexTV will detect the type of device you have. Verify that the correct device is selected and click the RIGHT arrow at the bottom of the screen.

You will be asked to grant permission to TrexTV. Click on **YES**. You will see a popup to verify you want to allow. Click **Allow**.
